Dulap metalic pentru televizor ROSA – functional si elegant Dulapul modern pentru televizor ROSA, in culoarea albastru inchis, combina designul minimalist cu o practicitate exceptionala. Este o piesa de mobilier care va permite sa pastrati spatiul ordonat si, in acelasi timp, sa accentuati caracterul interiorului. Este perfect nu numai ca suport TV in sufragerie, dormitor sau camera tinerilor, ci si ca dulap metalic pentru televizor pentru birou si sala de conferinte. Datorita amenajarii interioare bine gandite, poate gazdui echipamente electronice, carti, documente si decoratiuni, ajutand la mentinerea ordinii perfecte in fiecare zi. Caracteristici principale ale suportului TV ROSA:

Constructie metalica durabila Raft reglabil cu o capacitate de incarcare de pana la 40 kg Picioare de nivelare Finisaj cu vopsea Sparkling Brilliance™ cu un luciu subtil Amortizoare din silicon pe usi Poate fi montat pe perete Dulap TV albastru inchis – eleganta moderna Culoarea albastru inchis a dulapului TV este o referinta la stilul clasic. Culoarea intensa confera calm si eleganta interiorului, iar vopseaua unica Sparkling Brilliance™ reflecta usor lumina. Rezultatul este un efect neobisnuit si stralucitor, care nu este coplesitor sau obositor pentru ochi. Forma simpla a ROSY se sprijina pe picioare subtiri, conferind piesei un aspect usor si permitandu-i sa se integreze armonios in interior. Dulapul TV organizeaza spatiul, dar ii confera si un stil individual. Un dulap TV durabil si realizat cu atentie Dulapul metalic pentru televizor este fabricat din otel rezistent cu grosimea de 0,6 mm, ceea ce se traduce printr-o rezistenta ridicata la lovituri si la utilizarea zilnica. Vopseaua Sparkling Brilliance™ de culoare albastru inchis nu numai ca confera dulapului un luciu unic, dar protejeaza si suprafata impotriva zgarieturilor. Dulapul TV sta pe picioare si arata intotdeauna la fel de bine ca in prima zi. Raft reglabil pe inaltime In interiorul unitatii se afla un raft spatios cu reglare a inaltimei la fiecare 25 mm. Acest lucru va permite sa reglati in mod convenabil spatiul pentru articolele pe care doriti sa le depozitati – de la un player la albume si accesorii. Raftul poate suporta pana la 40 kg, asigurand ca chiar si dispozitivele mai grele pot fi asezate pe el in siguranta. Raftul superior ofera spatiu pentru decoratiuni, plante sau o lampa. Dulapul ingust pentru televizor asigura utilizarea maxima a spatiului – chiar si in camerele mici, fiecare obiect are locul sau. Un dulap lung pentru televizor este perfect si pentru amenajarea unui living sau birou mai mare. Dulap stabil pe picioare Picioarele metalice ale dulapului TV confera usurinta structurii si faciliteaza curatarea sub mobilier. Dar asta nu este tot, deoarece picioarele speciale cu o gama de reglare de pana la 3 cm permit nivelarea precisa a mobilierului. Nu mai trebuie sa va faceti griji cu privire la balans – dulapul TV sta perfect drept chiar si pe podele inegale. Pentru a creste si mai mult stabilitatea si siguranta, puteti utiliza optiunea de montare a dulapului TV pe perete. Aceasta este o comoditate practica, in special in casele cu copii. Inchidere silentioasa a usii si detalii rafinate Pentru un confort sporit de utilizare, usile metalice ale dulapului sunt prevazute cu tampoane din silicon. Acestea garanteaza o inchidere silentioasa si fara trantit. La randul sau, un magnet montat in usa impiedica deschiderea spontana a dulapului, ceea ce imbunatateste aspectul estetic si reduce acumularea

de praf in interior. Cabluri ascunse estetic Panoul din spate al dulapului TV colorat are orificii practice pentru ascunderea cablurilor echipamentelor stocate. Acest lucru va permite sa mentineti aspectul atractiv al sistemului home cinema si sa evitati incurcarea cablurilor.
