Descriere

The Convince armchair merges the elegance of modern design with comfort and practicality. Its brown metal frame ensures stability and durability, while the rattan detailing adds a warm touch, creating a sense of luxury. Perfect for outdoor spaces such as patios, balconies, and terraces, this armchair pairs effortlessly with other furniture to create a stylish and inviting setting.

Technical Features **Sturdy Aluminum Frame:** Designed for durability and resistance to wear, finished in brown. **Seat in Textilene:** A highly durable material commonly used in outdoor furniture and accessories. It allows air circulation, providing a cooling sensation during use.

Backrest in High-Quality PE Rattan: Known for its flexibility and weather resistance, it can be woven and shaped with ease, making it perfect for outdoor use. **Protective Foot Caps:** Prevent damage to flooring and ensure stability. **Suitable for Professional Use:** Designed to withstand frequent and intensive use. **Product Dimensions** Μήκος: 56 εκ. Πλάτος: 63 εκ Υψος: 82 εκ.

Μήκος εδρας: 38 εκ. Βαθος εδρας: 41 εκ. Υψος εδρας: 45.5 εκ. Μήκος πλατης: 47 εκ. Υψος πλατης: 44 εκ Υψος μπρατσου απο πατωμα: 67 εκ. **Material Information** **ALU (Aluminum):**

Aluminum is the third most abundant element on Earth and the most common metal. It naturally forms a protective oxide layer when exposed to air, preventing corrosion, and is fully recyclable without losing its properties, making it a sustainable material. **Textilene:** A durable material made of polyester fibers coated with PVC, combining strength, weather resistance, and a flexible texture. It allows air circulation for a refreshing experience. **PE Rattan:** A synthetic alternative to natural rattan, made from polyethylene. It is weather-resistant, does not fade or deteriorate from sunlight or rain, and is environmentally friendly.

Care Instructions **Aluminum:** Use a microfiber cloth dampened with water. For tougher stains or residues like rust, apply mild detergent or cleaner. **Textilene:** Clean with simple soap and water. It requires minimal maintenance and stays in good condition with little effort. **PE Rattan:** Easy to maintain and clean with water and soap.

Notes The product is delivered in factory packaging. The product's color may slightly differ from its photographic representation on your screen.
