Caracteristicile dulapului de curatenie: Constructie metalica durabila Trei zone de depozitare practice Rafturi spatioase si bara pentru umerase Sistem de inchidere sigur cu 3 puncte Posibilitate de montare pe perete Culoare: antracit-rosu Dulap de curatenie functional cu inchidere DAWID Dulapul metalic DAWID se remarca prin forma sa simpla si combinatia atractiva de culori in nuante moderne de antracit si rosu. Dulapul dublu, bine gandit, este ideal oriunde este nevoie de organizare – in birouri, ateliere, cabinete, sali de fitness sau acasa. In interior pot fi depozitate haine, pantofi, unelte, documente sau cutii si decoratiuni diverse. Acest mobilier extrem de versatil permite organizarea eficienta a spatiului si asezarea comoda a obiectelor, astfel incat sa fie mereu la indemana si usor de gasit. Constructie solida Un avantaj important al dulapului cu doua usi este constructia robusta din otel de calitate superioara cu grosimea de 0,6 mm. Acoperirea cu pulbere creste rezistenta la deteriorari mecanice si coroziune, astfel incat dulapul isi pastreaza aspectul impecabil chiar si dupa ani de utilizare intensa. Dulapul DAWID isi pastreaza toate functionalitatile in timp. Impartire practica in 3 zone Impartirea dulapului in trei zone de depozitare permite sortarea inteligenta a obiectelor si organizarea lor intr-un mod rational. Pe raftul superior este indicat sa fie pastrate obiectele folosite mai rar, iar pe rafturile spatioase isi pot gasi locul caciuli, manusi, carti, accesorii, unelte si decoratiuni. Fiecare raft suporta o greutate de pana la 50 kg. In compartimentul inalt este montata o bara pentru umerase, ideala pentru haine care nu trebuie sa se sifoneze. Aceasta organizare asigura utilizarea maxima a spatiului disponibil. Siguranta in orice situatie Dulapul de curatenie cu doua usi DAWID garanteaza controlul total asupra accesului la continutul sau. Datorita sistemului de inchidere solid in trei puncte, obiectele de valoare si documentele confidentiale pot fi pastrate in

siguranta. Dulapul cu inchidere este ideal si in prezenta copiilor mici – este suficient sa intorci cheia pentru ca micutii sa nu poata ajunge la continut. Posibilitatea de montare pe perete elimina riscul de rasturnare a dulapului si creste siguranta mediului.
