**Caracteristicile dulapului:** Construcie metalica rezistenta Impartire in trei zone de depozitare Rafturi spatioase si bara pentru umerase Inchidere solida in 3 puncte Posibilitate de fixare in perete Culoare gri-albastru Dulap metalic de curatenie cu inchidere DAWID – functionalitate in orice spatiu Un dulap de curatenie bine ales este cheia organizarii in locuinte, birouri, ateliere, sali de sport sau cabinete medicale si cosmetice. Dimensiunile compacte, impartirea practica pe zone si forma simpla, estetica, fac din dulapul metalic DAWID o alegere ideala. Acest model universal imbunatateste organizarea spatiului si permite aranjarea comoda a hainelor si a obiectelor de zi cu zi. Dulap metalic fiabil Dulapul dublu gri-albastru este fabricat din otel de inalta calitate, cu grosimea de 0,6 mm, ceea ce ii confera durabilitate si rezistenta. Vopsirea in camp electrostatic creste rezistenta la deteriorari mecanice si coroziune. Modelul DAWID isi pastreaza forma si calitatea chiar si dupa multi ani de utilizare intensa. Trei zone de depozitare pentru mai mult confort Impartirea dulapului in 3 zone permite utilizarea maxima a spatiului disponibil. Pe raftul superior se pot aseza obiectele utilizate mai rar, iar pe celelalte rafturi incapatoare, diverse obiecte ce trebuie sa fie la indemana – manusi, carti, dosare, accesorii de birou, unelte sau lucruri personale. Fiecare raft suporta pana la 50 kg. In compartimentul inalt se afla o bara pentru umerase, ideala pentru hainele ce trebuie pastrate fara cute. Continut in siguranta Dulapul metalic cu doua usi garanteaza protectia obiectelor depozitate si ofera control total asupra accesului la acestea. Inchiderea eficienta in 3 puncte mentine continutul in siguranta. Dulapul cu inchidere este deosebit de util in prezenta copiilor, care astfel nu pot ajunge la continut. Posibilitatea de fixare in perete elimina riscul de rasturnare a dulapului si creste siguranta spatiului.
