Caracteristici dulap BHP: Constructie metalica care creste rezistenta la deteriorari 10 compartimente incapatoare Fiecare compartiment se incuie cu cheie Bara practica pentru umerase Orificii de ventilatie si suporturi pentru etichete pe usi Culoare neagra Dulap vestiar negru BARTEK – indispensabil in orice vestiar Un dulap vestiar adecvat este absolut necesar intr-un vestiar de la locul de munca, scoala, atelier sau sala de fitness. Un dulap BHP trebuie sa poata depozita haine de schimb, incaltaminte, un rucsac sau o geanta si obiecte personale. Dulapul metalic cu 10 usi BARTEK este ideal din toate punctele de vedere, deoarece optimizeaza organizarea si faciliteaza mentinerea ordinii. Durabilitate de lunga durata Dulapul negru este fabricat din otel solid de 0,6 mm grosime, ceea ce il face extrem de durabil. Vopsirea in camp electrostatic creste rezistenta la deteriorari si asigura un aspect impecabil al mobilierului, chiar si dupa multi ani de utilizare intensa. Compartimente incapatoare cu bara pentru umerase Pentru a optimiza spatiul din vestiar, dulapul BHP compact are 10

compartimente separate. Acestea pot fi folosite pentru a depozita haine, incaltaminte, rucsac, carti, portofel si telefon. Fiecare compartiment este prevazut cu o bara care permite agatarea comoda a hainelor, astfel incat acestea sa ramana fara cute. Continutul in deplina siguranta Fiecare compartiment al dulapului BARTEK este echipat cu o incuietoare fiabila cu bolt. Posibilitatea incuiata cu cheie creste siguranta si permite depozitarea chiar si a obiectelor de valoare. Astfel, pana la 10 persoane se pot bucura simultan de protectia intimitatii. Sistem de ventilatie bine gandit Pentru un plus de confort, usile compartimentelor sunt prevazute cu orificii de ventilatie care asigura circulatia libera a aerului si elimina riscul acumularii mirosurilor neplacute. Obiectele ramase in dulap miros proaspat chiar si dupa multe ore. Suporturile pentru etichete montate pe usi imbunatatesc organizarea vestiarului.
