Perete acustic SADIE – un birou prietenos, fara zgomot Zgomotele puternice si conversatiile interminabile la locul de munca reduc drastic productivitatea si cresc oboseala. Puteti scapa usor de aceasta problema – ecranul acustic SADIE este o bariera eficienta impotriva zgomotului excesiv si a stimulilor care distrag atentia. Datorita acestuia, puteti crea rapid si fara renovari o zona linistita si privata in biroul dvs., spatiul de coworking, institutiile publice si scoli. Cu alte cuvinte, oriunde concentrarea este cheia succesului. Caracteristici principale ale ecranului acustic pentru birou:

- Absorbtie fonica ridicata a panourilor PET (NRC pana la 0,85)
- Conexiune simpla si modulara cu fermoar
- Picioare metalice stabile si sigure
- Tesatura de tapiterie durabila si rezistenta la pete
- Potrivit pentru birouri de 110-120 cm si sisteme de spatiu deschis
- Utilizare practica ca tabla de organizare
- Absorbtie eficienta a sunetului ecranului acustic
- Panourile din fibra de poliester PET utilizate confera peretelui izolator fonic un coeficient de absorbtie fonica NRC impresionant, de pana la 0,85. In practica, acest lucru inseamna izolare fonica reala si reducere a zgomotului.
- Drept urmare, nivelul de stres este redus, iar confortul la locul de munca al intregii echipe este sporit.

Perete izolator fonic estetic si sigur

Ecranul acustic pentru birou combina functionalitatea inovatoare cu un design rafinat. Materialele utilizate sunt durabile, sigure si se integreaza perfect in mediul inconjurator. Nuanta moderna de albastru Frozen Lake aduce armonie, calm si eleganta profesionala interiorului. Tehnologie PET ecologica si tapiterie durabila

Panourile PET reciclate, usoare si fonoabsorbante, sunt o solutie ecologica. Tesatura de tapiterie certificata OEKO-TEX este foarte rezistenta la abraziune si usor de intretinut, asigurand aspectul impecabil al peretelui izolat fonic pentru multi ani de acum inainte. Constructie stabila bazata pe picioare metalice

Siguranta maxima este o prioritate la locul de munca si la scoala. De aceea, peretele acustic SADIE se sprijina pe picioare metalice robuste, care asigura un suport sigur in orice mediu. Structura este usoara, dar extrem de durabila si rezistenta la rasturnari sau miscari accidentale.

Perete acustic mobil care sprijina organizarea muncii

Cu panourile acustice, puteti crea rapid si fara renovari obositoare un spatiu la locul de munca care favorizeaza concentrarea si conversatiile confidentiale. Peretii mobili SADIE permit amenajari flexibile si adaptarea configuratiei biroului la nevoile actuale. Suprafata din tesatura a panourilor ofera, de asemenea, spatiu suplimentar pentru note, ca un panou de organizare. Aveti intotdeauna informatii utile la indemana si nu pierdeti timp cautand prin sertare. Libertate de configurare si instalare usoara a panourilor acustice

Caracterul modular al peretelui de podea permite conectarea usoara a panourilor folosind un fermoar convenabil. Instalarea panourilor este intuitiva si nu necesita utilizarea de unelte specializate. Puteti combina pereti in diferite nuante pentru a crea un design unic. Schimbarea aranjamentului sau mutarea panourilor intr-o alta camera nu reprezinta o problema – puteti muta peretele mobil in cel mai scurt timp.

Setul acustic SADIE Frozen Lake 240/145 cm include: 2 x panouri late 2 x panouri laterale 8 x conectori (u) 6 x baza (picior rotund) 2 x baza (picior in forma de T)
