Caracteristicile raftului de perete: Constructie robusta din otel Sistem de prindere ascuns Panou posterior complet Margine frontala rotunjita Montaj simplu si rapid Culoare: antracit Raft de perete JOANNE antracit pentru interioare modern Raftul de perete JOANNE, realizat intr-un stil minimalist, este completarea perfecta pentru amenajarea locuintei. Datorita executiei atente, raftul poate sustine fara probleme carti, CD-uri, accesorii de birou, decoratiuni sau plante. Castigi spatiu pentru obiectele necesare fara a ocupa loc suplimentar. Forma sa simpla nu perturba decorul interior, iar culoarea la moda antracit se integreaza perfect atat in apartamentele industriale si de tip loft, cat si in birourile si cabinetele elegante. Constructia durabila a raftului Raftul de perete cu lungimea de 400 mm este realizat din otel laminat de inalta calitate, cu o grosime de 1,1 mm. Datorita vopsirii in camp electrostatic, raftul de perete este rezistent la deteriorari, zgarieturi si rugina, iar culoarea nu se decoloreaza in timp. Solutii practice Panoul posterior complet al raftului ofera un aspect estetic si protejeaza obiectele depozitate pe el. Datorita acestuia, nimic nu aluneca si nu cade. Marginea frontala rotunjita elimina riscul lovirii accidentale de raft, ceea ce creste siguranta mediului. Montaj intuitiv si modularitate Raftul metalic JOANNE are un sistem de prindere ascuns, fara suporturi vizibile, ceea ce permite mentinerea unui efect vizual atragator. Este suficient sa fixezi sina pe perete si sa agati raftul de aceasta. Montajul simplu si structura modulara permit combinarea mai multor rafturi unul langa altul sau pe verticala. Astfel, sunt utile chiar si in spatii mici.
