Tastatura Razer Blackwidow V3 TKL Gaming Keyboard - Yellow Switch Razer Blackwidow V3 TKL - Yellow Switch - Mean performance in a leaner form—enter the Razer BlackWidow V3 Tenkeyless. Continuing an iconic legacy, this compact gaming keyboard is armed with our world-renowned Razer™ Mechanical Switches and powered by Razer Chroma™ RGB, for a level of precision and personalization beloved by gamers worldwide. Durable aluminum construction The Razer BlackWidow V3 Tenkeyless gaming keyboard boasts a compact design without a numeric part, which saves space on the gaming table. Thanks to its aluminum construction, it is strong enough to withstand long hours of intensive use. The grooves located on the bottom allow you to neatly store the cable and extend it in any direction. RAZER™ YELLOW MECHANICAL SWITCHES These linear, silent switches produce extremely smooth keystrokes with no tactile bump and include sound dampeners to reduce its already low sound profile even further. 80 MILLION KEYSTROKE LIFESPAN Enjoy a level of reliability catered for competitive play, as the switches on this tenkeyless mechanical gaming keyboard are equipped to handle years and years of constant gaming. TENKEYLESS FORM FACTOR Without the numpad of a full-sized layout, its compact design allows for easier positioning to get your setup just right, and is ideal for gamers who prefer a minimalist desktop. CABLE ROUTING OPTIONS This tenkeyless mechanical gaming keyboard is designed with grooves that allow you to neatly tuck in its cable and feed it out in any direction, so you can keep your desktop clear of clutter and mess.
